

# Prayer Newsletter

“Devote yourselves to prayer,  
being watchful and thankful.”  
Colossians 4:2

January 28, 2014

## Prayer Requests

1. The board is in need of a new Project Manager, and more project leaders.
2. We need a set of Handy men that can do smaller projects on week days.
3. We need beautiful weather on Saturdays so our projects can be completed.
4. Pray our clients feel God's love surrounding them through Hearts in Hands.

## About us:

Hearts In Hands is a non-profit faith based organization working in partnership with God's people in the greater Birmingham area. We provide minor home repairs and yard work as well as design and build wheelchair access ramps. Our group of skilled volunteers is dedicated to showing the love of God by helping those most in need. The services we offer at low to no cost are based on income of the recipient.

Hearts In Hands was formed from a persistent, growing desire to obey the Commission of Christ – to go. Go to the greatest need—the sick, the dying, the lonely, the needy, the lost. We strongly felt this was the purpose God had been preparing us for. But we didn't just want to solve their immediate need, only to leave them again in isolation and loneliness. We believed it was essential to establish a system of follow-up to build relationships. Through a growing group of compassionate volunteers who are unified in our desire to share, show, teach and serve, we are able to make a difference in the lives of some wonderful people who now know they are loved.

## Wheelchair Ramp For Ms. T

Ms. T is suffering from stage 4 breast cancer. She was in desperate need of a wheel chair ramp to make it to doctors appointments. Through your support and help, Hearts in Hands was able to provide one for her and her family.
